Satellite TV  Page 5
Boman
EFH-75 Polarmatic C-band Feed horn and polarity rotor
Adjustable scalar
Thermo-Guard motor allows operation at sub zero temperatures
Stainless Steel hardware & covers inc.

NEW
In factory box
$30

General Instruments
PR-1 A/S
C-band Feed horn and polarity rotor
Made by Chaparral
Adjustable scalar
Stainless steel hardware & covers inc.

NEW
In factory box
$30

Chaparral
PR-1
C-band Feed horn and polarity rotor
Non Adjustable scalar
Stainless steel hardware & cover inc.

NEW
In factory box
SOLD

Chaparral
Polarorotor 1 Ku
12 GHz band Feed horn and polarity rotor
Hardware and LNA/LNB adapters included

NEW
In factory box
$25

Chaparral
PR-1
C-band Feed horn and polarity rotor
Fixed scalar
Stainless steel Hardware and LNA gasket included

USED
Untested
2 x To Sell
$10 each

Chaparral
P/N 1329
C-band dual Feed horn
Adjustable scalar

NEW
In factory box
$20

Satellite TV Page 6
Merrimac PD-42-3.95GA
C Band 4 way Power Splitter
Weather proof design.
N Female connection In and Out
NEW $35 each 2 To sell

Merrimac PDI-22-3.95GA
C Band 2 way Power Splitter
Weather proof design.
N Female connection In and Out
USED $15

Merrimac TN-6K
0 to 12 GHz 50 Ohm Terminator
N Male Connector
NEW $10 each 3 SOLD

Tru-Spec HFS-2
Power Passing Splitter
(2) at 900 to 1500 MHz
(2) at 900 to 1750 MHz
(2) at 900 to 2150 MHz
F Fitting connecters
NEW $3 each

Tru-Spec ABE-D
Polarity Switch
400 to 1500 MHz
For dual feed down converted systems
F Fitting connecters
NEW SOLD

STS DPS-025
Polarity Switch
400 to 1410 MHz
For use with dual feed antenna systems to supply independent polarity switching to two receivers.
F Fitting connecters
NEW SOLD 5 pair
